This activity have produced the following outcomes which will move forward the Thai-FLEGT VPA;

Issues	Progresses/Outcomes
Timber from private land supply chain control	- The ad-hoc working group recommended the sub-working group to revise this annex, further focusing on the self-declaration process.
Thai timber import control	- The working group will continue reviewing the due diligence concept draft and study the pre-import control simultaneously.
THA-TLAS	- The working group learned about the licensing scheme, traceability concept, inter-agency cooperation, and import control process from the Department of Fisheries, whose IUU fisheries prevention program closes to the THA-TLAS.
